

Specialised Air

SUPPLIERS OF QUALITY PRODUCTS TO THE AIR CONDITIONING INDUSTRY

For that something special

Trade Price List

As at 1 October 2023

Specialised Air Pty Ltd is a wholesale supplier of a complete range of quality products required to install and service all applications for the domestic and commercial air conditioning industry.

Established in 2002, Specialised Air Pty Ltd is an Australian owned and operated company with Gregg, the director, having over 25 years' experience in all aspects of the air conditioning industry. Our warehouse and office is located in Penrith, only minutes from the M4 motorway. We deliver to all areas of Sydney metro and beyond.

With competitive pricing and our focus on providing a personalised, efficient and friendly service to every customer, you can be assured that Specialised Air will assist you to ensure your job is done to your customer's satisfaction... on time, every time.

We stock all products from flexible duct to copper pipe, BTO and Y pieces, return air plenums, grilles and outlets, trunking to duct tape. If we do not have it in stock we can probably get it for you.

We can also assist you with the design of systems and technical advice if needed.

Specialised Air Pty Ltd is also the NSW distributor for Advantage Air, stocking and supplying their full range of products.

Please contact us to assist you with your enquiry.

APPLICATION

Each sale is made on these terms. Any previous dealings do not affect these terms, nor will any term or condition set out in your order forms or other documents.

TERMS OF PAYMENT

If you have a credit account with us, you must pay for goods supplied before the last day of the month after the month in which they were supplied. However, payment will become due immediately if you commit any act of bankruptcy (see the Bankruptcy Act) or you go into external administration (see the Corporations Law). You must pay us any costs (including debt collector's commission) we incur to recover (or attempt to recover) any overdue payment, or to repossess (or attempt to repossess) any goods. If you do not hold a credit account with us payment is required prior to releasing goods.

PRICES

Our price book is subject to alteration without notice. These terms continue to apply regardless of any discounts which may be agreed to.

GOODS AND SERVICES TAX

All prices printed throughout this price book are subject to 10% G.S.T.

DELIVERY

Delivery will be to your place of business or to the site address provided by you. The goods are then at your risk, and you are responsible for any loss, damage or deterioration to them. A delivery charge of \$60.00 applies for metro areas. Subject to alteration without notice.

ROMPALPA CLAUSE

Property in goods supplied will not pass to you until they, and all other goods supplied by us to you, have been paid for in full. If payment is not received once it is due, we may enter any premises where the goods are, or are reasonably thought to be, and repossess them.

CREDITS

Goods are not supplied on a sale or return basis. Subject to these terms, once we accept your order, you are obliged to take the goods although property is yet to pass. If we agree to accept any return, it will only be on the basis that the goods are returned in their original condition.

WARRANTY

We warrant there is no faulty workmanship and/or materials in the goods for a period of 12 months from delivery. However, our liability is limited to repairing or replacing (which ever option we choose) the faulty goods at no charge to you. Any warranty or condition implied (or other liability put on us) under law is excluded. However, if it cannot lawfully be excluded, then, if allowed, our liability is limited to repairing or replacing (which ever option we choose) faulty goods at no charge to you. Except above, we have no liability to you, and you release us from any costs or loss caused to you by us, including by reason of our negligence, breach of contract or other default.

GUARANTEE & TECHNICAL DATA

All equipment listed in this price book come with various Guarantees. Please confirm from the relevant manufacturer's brochure.
